Correction: the MTA family proteins as novel histone H3 binding proteins

Meng Wu¹, Lina Wang¹, Qian Li¹, Panagiota Karagianni², Jiwen Li¹, Jun Qin³ and Jiemin Wong^{1*}

Correction

After publication of this work [1], we noted that we inadvertently failed to include the complete list of all coauthors. The full list of authors has now been added and the Authors' contributions and Competing interests section modified accordingly.

Competing interests

The authors declare that they have no competing interests.

Authors' contributions

JL and JW conceived and designed the experiments. MW, LW, QL and PK performed the experiments. MW, LW, QL, PK, JL, JQ and JW analyzed the data. JW wrote the paper. All authors read and approved the final manuscript.
